H2OV - Warranty

- **Warranty**

1. GMSconcepts will repair or replace at our option any housing that proves to be defective in construction or materials within one year of date of delivery.
2. GMSconcepts is not liable for any damage to equipment caused by leakage of water into the housing, nor for loss of data or income as a result of such leakage.
3. GMSconcepts is not liable for any accidents during which this housing was in use.
4. This warranty is void in the event of negligent handling of the housing including, but not limited to, dropping, modifications, improper care and maintenance, and exceeding the specified depth limitation.
5. The buyer understands that, because of the nature of this product, he/she uses the housing at his/her own risk and agrees to hold GMSconcepts harmless of any occurrence.
